Date: September 20, 2016

Subject: 23rd Annual Women's Night

Did you know that your business has an opportunity to be recognized in the San Diego community in a very unique way?

At **RBCPC Preschool**, we change whole families' lives for the better each day and each year with **The Sharing Lives Program**. This program gives us the opportunity to help maintain the flexibility to include all children in the classrooms including children with identified needs such as **autism, cerebral palsy, and Down's syndrome**. Imagine the feelings of gratitude that one couple had after their child was turned down by 5 other preschools when they were welcomed with open arms at RBCPC!

On **December 6**, you have the opportunity to share in our 23rd Annual Women's Night. Last year over **350 local women** attend in support of this unique program that allows preschoolers with special needs to learn and feel included in classrooms with their peers.

Each year the event is filled with gift baskets containing gift cards and unique gifts from local artists and artisans. This year you have the opportunity to donate!

Your business can benefit too! For your donation,

1. Your name and/or business listed in the event program and on our Facebook page.
2. Over 350 local women will see your donation and recognize your community involvement.
3. A tax deductible receipt will be mailed to you after the event.

Can we count on you to help the Sharing Lives Program to continue reaching out to children that so desperately need your help?

Mail your item(s) to RBCPC Preschool by November 4, 2016, to be included in all early advertising OR call (858) 487-0824 to arrange a pick up today. Your donation will allow those seeing our ads and attending this exciting evening to know **YOU CARE!**

Sincerely,

Melissa Heinemann, Director

If you have any questions regarding a donation, please call **(858)487-0824** or to learn more about this unique preschool, please visit www.rbcpcpreschool.org.
