

RBCPC Preschool
Scholarship Application
2017-2018 School Year

One of the most important things RBCPC Preschool values is giving every child the opportunity to attend our school regardless of financial situation. We have a scholarship program in place to help families who may be facing financial hardships that may prevent their child from being in our program. The Sharing Lives Scholarship Fund allows families to send their children to RBCPC Preschool with the help of financial assistance.

Sharing Lives is predominately funded by our Annual Women's Night Event, when local businesses and community members donate their services and products to be auctioned off, with proceeds going to the Sharing Lives Scholarship Fund. We encourage all parents of RBCPC Preschool children to be involved in this event by attending and/or volunteering. Together, we can help raise more funds for families to keep receiving financial aid for years to come.

Process:

To obtain financial assistance, applicants must complete and submit the following documentation:

- ◆ Last two months of income documentation for all household members with any form of income (i.e., paycheck stubs, unemployment verification, social security payments, etc.)
 - ◆ First two pages of 2016 federal tax return that are completed and signed
 - ◆ Fully completed and signed application
- ❖ Please note that all financial statements and applications will be kept confidential. Only the preschool administration team will see identifying information, non-identifying information will be viewed by the ECE committee to determine financial assistance if needed.

Scholarship Award:

Scholarship award amounts will depend upon each applicant's financial situation and funds available. Scholarships are designed to pay a portion of the total cost for each child receiving assistance. The parent(s) is expected to pay the remaining portion. Submission of this application does not guarantee that financial assistance will be awarded.

Timeline:

Applications Available	starting March 1st
Applications Due to Preschool Office	on or before May 31
Applicants will be Notified of Scholarship Status	by June 15th

***Please return Application and all supporting documentation to the preschool office in person or by mail by the dates listed above.**

**Preschool Office Hours are
Monday - Friday 8am-3:30pm.
17010 Pomerado Road, San Diego, CA 92128 - (858) 487-0824**
